

RECORD OF PROCEEDINGS
AIR FORCE BOARD FOR CORRECTION OF MILITARY RECORDS

IN THE MATTER OF:

DOCKET NUMBER: 96-02191

COUNSEL: None

JUL 21 1998

HEARING DESIRED: No

Applicant requests that (1) the Article 15, dated 26 June 1959, be removed from his records, (2) his rank of A/3C be restored, (3) the statement that he suffered from dizziness and shortness of breath since childhood be removed from his discharge physical, and (4) his general discharge be changed to a medical discharge. Applicant's submission is at Exhibit A.

The appropriate Air Force offices evaluated applicant's request and provided advisory opinions to the Board recommending the application be denied (Exhibit C). The advisory opinions were forwarded to the applicant for review and response (Exhibit D). Applicant's response to the advisory opinions is at Exhibit E.

After careful consideration of applicant's request and the available evidence of record, we find insufficient evidence of error or injustice to warrant corrective action. The facts and opinions stated in the advisory opinions appear to be based on the evidence of record and have not been rebutted by applicant. Absent persuasive evidence applicant was denied rights to which entitled, appropriate regulations were not followed, or appropriate standards were not applied, we find no basis to disturb the existing record.

Accordingly, applicant's request is denied.

The Board staff is directed to inform applicant of this decision. Applicant should also be informed that this decision is final and will only be reconsidered upon the presentation of new relevant evidence which was not reasonably available at the time the application was filed.

Members of the Board Mrs. Barbara A. Westgate, Mr. Frederick R. Beaman III, and Mr. Steven A. Shaw considered this application on 7 July 1998, in accordance with the provisions of Air Force Instruction 36-2603 and the governing statute, 10 U.S.C. 1552.
