

RECORD OF PROCEEDINGS  
AIR FORCE BOARD FOR CORRECTION OF MILITARY RECORDS

JUL 14 1998

IN THE MATTER OF:

DOCKET NUMBER: 98-00479

COUNSEL: NONE

HEARING DESIRED: NO

Applicant requests that she be entitled to the Selective Reenlistment Bonus (SRB). Applicant's submission is at Exhibit A.

The appropriate Air Force office evaluated applicant's request and provided an advisory opinion to the Board recommending the application be denied (Exhibit C). The advisory opinion was forwarded to the applicant for review and response (Exhibit D). As of this date, no response has been received by this office.

After careful consideration of applicant's request and the available evidence of record, we find insufficient evidence of error or injustice to warrant corrective action. The facts and opinions stated in the advisory opinion appear to be based on the evidence of record and have not been rebutted by applicant. Absent persuasive evidence applicant was denied rights to which entitled, appropriate regulations were not followed, or appropriate standards were not applied, we find no basis to disturb the existing record.

Accordingly, applicant's request is denied.

The Board staff is directed to inform applicant of this decision. Applicant should also be informed that this decision is final and will only be reconsidered upon the presentation of new relevant evidence which was not reasonably available at the time the application was filed.

Members of the Board Mrs. Barbara A. Westgate, Mr. Frederick R. Beaman III, and Mr. Steven A. Shaw considered this application on 7 July 1998, in accordance with the provisions of Air Force Instruction 36-2603 and the governing statute, 10 U.S.C. 1552.

01 APR 1998

MEMORANDUM FOR **THE AFBCMR**

FROM: **HQ AFPC/DPPAE**  
550 C Street West **Ste 10**  
Randolph AFB, CA 78150-4712

**SUBJECT:** Application for Correction of Military Records  
[REDACTED]

The applicant is requesting a Selective Reenlistment Bonus (SRB) entitlement.

On 11 Dec 97, the applicant reenlisted to **obtain PCS** retainability for **an** assignment. At the **time** of her reenlistment, she had no reason to believe her AFSC would **get an SRB** or to delay her reenlistment until 1998. On 21 Jan 98, HQ USAF/DPXPS **announced** that her AFSC would receive an SRB of Zone A, Mult of 1/2, effective 20 Jan 98 or later. Prior to this date, many other personnel in the **applicant's** career field also reenlisted and did not received **an** SRB. Further, the applicant **is** not eligible for the Zone A SRB **as** indicated. Reenlistment must occur prior to six **years** of service in order to qualify. **In** this case, the applicant reached the **six** year service point on 9 Oct 97, thereby negating the SRB entitlement. The applicant has provided no evidence of error, injustice, or miscounseling. As such, it would not be justified to allow her **an** entitlement not provided to others in a similar situation. Strongly recommend the applicant's request be denied.
