The pertinent military records of the Department of the Air Force relating to [REDACTED] be corrected to show that on 20 November 1997, he applied for advance payments of Overseas Housing Allowance (OHA) for the period 1 December 1997 through 25 February 1998, in accordance with the Joint Federal Travel Regulations (JFTR), paragraph U9116-A, and his request was approved by competent authority.

MEMORANDUM FOR AFBCMR

SUBJECT: Application for Correction of Military Records- [REDACTED]
[REDACTED]

This responds to a request for a BCMR advisory on [REDACTED] who is requesting his records be changed to show he was due reimbursement for his overseas housing allowance (OHA) under a different, higher, OHA rate ceiling than the one he was under while assigned to [REDACTED].

By way of background, [REDACTED] was assigned to [REDACTED] during a time when currencies in several major [REDACTED] countries experienced severe devaluation. This caused problems for many military members serving in these areas who were living on the economy and had either received OHA advances to pay their rent up front; or had leases written in U.S. Dollars instead of the local currency, in this case [REDACTED] Won. The Per Diem, Travel, and Transportation Allowances Committee (PDTATAC) was able to implement a solution to the problem for members who had received OHA advances but could not devise a similar solution for individuals like [REDACTED] who had their leases written in U.S. Dollars.

Members in this situation were given rental advances for the remainder of their leases so they could be moved under the protected OHA rate and not lose any more money. It was suggested that they attempt to recoup lost funds through the BCMR process.

Therefore, we recommend the Board grant [REDACTED] request and change his records to reflect that he received a rental advance and, as a result, was due reimbursement at the higher OHA rate. My point of contact for this advisory is [REDACTED].
