SUBJECT: Application for Correction of Military Records [REDACTED]

Requested Action and Basis for Request. Restore 5 days lost at FY96 year-end balancing. Applicant states he lost these days due to military requirements.

Facts and Discussion. Applicant had 60 days on 1 Oct 95 used 25 days, and had 65 days at the end of FY96. He lost 5 days on 1 Oct 96 because 10 USC 701 prohibits members from carrying over more than 60 days into the next FY. Applicant deployed in support of an operational mission Oct - Dec 95. After the deployment, he was responsible for leading his squadron through a MAJCOM operational readiness inspection followed by taking command of another squadron undergoing a dramatic mission change. Applicant lost 5 days of leave at the end of FY96 due to these operational unit requirements. His commander supports reinstating the 5 days of lost leave. In this case, we support granting relief since applicant was unable to take use or lose days of leave due to military necessity.

Recommendation. Approve restoring 5 days to current leave account.
