MEMORANDUM FOR THE CHIEF OF STAFF

Under the authority of Section 1552, Title 10, United States Code, Air Force Instruction 36-2603, and having assured compliance with the provisions of the above regulation, the decision of the Air Force Board for Correction of Military Records is announced, and it is directed that:

The pertinent military records of the Department of the Air Force relating to [REDACTED] be corrected to show that his date of rank to the grade of staff sergeant is 1 November 1986.

MEMORANDUM OF CONSIDERATION OF APPLICATION BEFORE THE AFBCMR

SUBJECT: [REDACTED]

Having carefully reviewed this application, we agree with the recommendation of the Air Force and adopt the rationale expressed as the basis for our decision that the applicant has been the victim of either an error or an injustice. Therefore, under the authority delegated in AFI 36-2603, the applicant's records will be corrected as set forth in the accompanying Memorandum for the Chief of Staff signed by the Executive Director of the Board or his designee.

Bob Stewart

Panel Chair

MEMORANDUM FOR AFBCMR

FROM: HQ AFPC/DPPAE
550 C Street West, Ste 10
Randolph AFB TX 78150-4712

SUBJECT: [REDACTED]

Applicant requests his *SSgt* date of rank (DOR) be corrected to reflect the DOR he held prior to separating from the Regular Air Force (RegAF) on his previous tour. He contends that he enlisted with the understanding that he would retain his previous *SSgt* DOR in accordance with AETCI 36-2002, *Recruiting Procedures for the Air Force*. The AETCI, dated 14 Apr 95, stated that prior service personnel enlisting as recruiters would retain the DOR held on their previous enlistment. On 30 Jan 96, HQ AFRS/RSO released a PROMIS message correcting the policy on recruiter enlistees to coincide with the policy for other prior-service accessions (the revised AETCI 36-2002, published 1 Oct 97, reflects the change).

Applicant provides copies of his enlistment order (SO 145-5) reflecting his enlistment DOR as 20 Jul 95, an amendment to the orders (1 88-005) correcting enlistment DOR to 1 Nov 86, and a revocation of the amendment (121-003). The revocation was apparently accomplished to bring his DOR into compliance with the new policy.

The summary report of the 25 Feb-18 Jun 98 IG investigation states, "Paragraph 2.26.13.1 of the 1995 version of AETCI 36-2002 was wrong." We sought clarification on the applicability of the change from AFRS personnel assisting with the investigation. They advised that the PROMIS message applied to all enlistments dating back to the 14 Apr 95 effective date of the AETCI.

Although we appreciate the efforts of HQ AFRS to ensure the policy change is fairly applied, we believe the applicant has a valid complaint. The 14 Apr 95 AETCI clearly stated he would receive his original *SSgt* DOR, and the PROMIS message was unclear on the applicability of the change. We recommend the Board approve applicant's request to restore his *SSgt* DOR of 1 Nov 86. POC is [REDACTED]
