MEMORANDUM FOR AFBCMR

SUBJECT: Application for Correction of Military Records - [REDACTED]

Requested Action and Basis for Request. Restore **19** days lost at **FY98** year-end balancing. Applicant states military requirements prevented him from using these days.

Facts and Discussion. Applicant had 60 days on 1 Oct **97**, used 11 day, and had **79** days on 30 Sep **98**. He lost **19** days on 1 Oct **98** because under **10 USC 701** members cannot carry more than 60 days into the next **FY**. In May **98**, applicant departed [REDACTED] with TDY en route for required flying training at [REDACTED]. He was able to take only **10** days leave en route upon departing [REDACTED]. His commander states applicant was in a B-1B Formal Training Unit re-qualification course from 11 May 98 through 25 Sep98. The duration of applicant's training course prevented him from taking accrued leave. His commander states that training regulations do not allow members to take leave during formal training. In this case, we support granting relief because applicant lost **19** days due to military necessities.

Recommendation. Approve restoring **19** days to **FY99** leave account.
