MEMORANDUM FOR AFBCMR

SUBJECT: Application for Correction of Military Record [REDACTED]

Requested Action and Basis for Request. Restore 8.5 days' leave lost at FY98 year-end balancing due to assignment and participation with the Thunderbirds.

Facts and Discussion. Applicant had 42.5 days on 1 Oct 97, used 4 days during FY98, and had 87 days on 30 Sep 98. He lost 8.5 days on 1 Oct because under 10 USC 701 members cannot carry more than 60 days into the next FY. He lost 8.5 days due to the Thunderbirds' strenuous training and performance schedule. His commander states that during the 1998 season, the applicant was TDY over 200 days during which taking leave was unfeasible. Further, the 3-month training season involved a syllabus with an intensive flying schedule that did not provide the applicant with an opportunity to take leave. We support granting relief because applicant was unable to take leave due to the Thunderbirds' demonstration and training season schedules.

Recommendation. Restore 8.5 days to current leave account.
