**EXECUTIVE SUMMARY:**

The applicant was discharged due to Adjustment Disorder in 2010. The applicant was diagnosed with an Adjustment Disorder with depressed mood by the local HSWL clinic in late 2009. The recommendation by the clinic deemed the applicant unsuitable for continued military service.

The events leading up to the psychiatric evaluation involved larceny in which the applicant stole money from a shipmate's locker, then failed to adequately clean their gov't housing unit, and had difficulties following routine orders and tasks. Prior to psychiatric evaluation, the applicant was taken to NJP in the Fall of 2009.

The Board finds no issues with propriety and equity on this case. The board recommends no relief. As issued, the applicant received an Honorable discharge.

**Propriety:** Discharge was proper.

**Equity:** Discharge was equitable.

**Final Adjudication by Assistant Commandant For Human Resources:** No relief.
