EXECUTIVE SUMMARY:

The applicant was discharged for Misconduct due to Commission of a Serious Offense in 2012. The applicant's complete Personnel Data Record and Separation Package were available for the Board to review.

The Board finds no issues with propriety or equity in this case. The applicant pled guilty to Assault and False Official Statements at a Summary Court Martial prior to discharge.

The applicant was notified of the intent to discharge, and the applicant was advised of his rights to an attorney, he made a statement on his behalf and objected to discharge. The applicant was also denied a Second Chance waiver by the District Admiral due to the laundry list of offenses in a short time period. No new evidence has been provided by the applicant on his board request.

RECOMMENDATION: The Board members thoroughly reviewed the applicant's record of service and all available documentation⁴. The Board deemed that the applicant's character of service, reason for separation and reenlistment code are appropriate and should not be changed. The applicant has not substantiated any error or inequity.⁵

Propriety: Discharge was proper.
Equity: Discharge was equitable.
Final Adjudication by Assistant Commandant For Human Resources: No relief.

⁴ Record was received from CGPSC-PSD-mr and includes all documentation that was available after a search of available records in the Coast Guard personnel records system and augmented by Direct Access record data.

⁵ In reviewing discharges, the Board presumes regularity in the conduct of governmental affairs unless there is substantial credible evidence (to include evidence submitted by the Applicant) to rebut the presumption.
