**EXECUTIVE SUMMARY:**

The applicant was discharged for Failed Medical/Physical Procurement Standards in early 2014.

The time in service was less than 180 days that resulted in an Uncharacterized Discharge.

The Board finds no issues with propriety or equity in this case.

The applicant was notified of the intent to discharge due to having a pre-existing medical condition that was not waiver-able for continued service.

An RE3 reentry code is not an affirmative recommendation for reenlistment, rather it represents that the applicant is not recommended for reenlistment due to a disqualifying factor. The RE3 code may be waived based upon the policies and needs of the gaining Service.

**Propriety:** Discharge was proper.

**Equity:** Discharge was equitable.

**Final Adjudication By Assistant Commandant for Human Resources:** Concur with Board. No relief.
