BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

LCC:ddj
Docket No: 7735-98
23 March 1999

[REDACTED]

Dear [REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 23 March 1999. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion furnished by BUPERS memorandum 5420 PERS 4010 of 5 February 1999, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the advisory opinion. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director

2. Discussion: [REDACTED] enlisted into the Navy under the Three Year Enlistment Program on 10 December, 1995. After initial training she was transferred to NAS Meridian, MS for duty. While at NAS Meridian, MS she was offered training at the DK A-school in a "Courtesy Sit-in" status. This type of training is designed to give students training to help them with the Navy-wide advancement examination. However, the student does not receive an official quota to attend the school and does not receive any benefits other than the training. [REDACTED] did participate in the Navy-wide advancement examination but was not advanced to DK3 or receive striker designation due to quota limitations and her overall score.

3. Recommendation: [REDACTED] request for striker designation must be disapproved due to non-receipt of an official quota for DK A-school and non-receipt of striker designation from the Navy-wide advancement examination.

4. My point of contact for this matter is [REDACTED] x.3866/3873.
