REVIEW OF NAVAL RECORD

Ref: (a) Title 10 U.S.C. 1552

Encl: (1) DD Form 149 dtd 8 Jun 99 w/attachments
(2) PERS-85 memo dtd 2 Aug 99
(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected to show the lineal position, date of rank, and effective date in the grade of commander she would have been assigned had she been confirmed in the expected time for an officer selected by the Fiscal Year 98 Selection Board. She specifically requested a date of rank and effective date of 1 February 1998. Her current date of rank and effective date are 26 May 1999.

2. The Board, consisting of Messrs. Caron, Hogue and Neuschafer reviewed Petitioner's allegations of error and injustice on 2 September 1999, and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In correspondence attached as enclosure (2), the Navy Personnel Command (NPC) office with cognizance over the subject matter of this case has commented to the effect that Petitioner's request has merit and warrants favorable action. They recommend changing her commander date of rank (and by implication, effective date) to 1 February 1998.

CONCLUSION:

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action.

RECOMMENDATION:

a. That Petitioner's naval record be corrected, where appropriate, to show her date of rank and effective date in the grade of commander as 1 February 1998; and that her lineal precedence be adjusted accordingly.

b. That any material or entries inconsistent with the Board's recommendation be corrected, removed or completely expunged from Petitioner's record and that no such entries or material be added to the record in the future.

c. That a copy of this Report of Proceedings be filed at an appropriate location in Petitioner's naval record, and that another copy of this report be returned to this Board, together with any material directed to be removed from Petitioner's record, for retention in a confidential file maintained for such purpose.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c)) it is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
