

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
2 NAVY ANNEX  
WASHINGTON DC 20370-5100

LCC:ddj  
Docket No: 186-01  
18 December 2001

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 18 December 2001. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion furnished by CMC memorandum 1400/3 MMPR 2 of 30 November 2001, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the advisory opinion. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER  
Executive Director

[REDACTED]

Ref: (a) Mr. [REDACTED] DD Form of 9 Jan 01 w/attachments

1. [REDACTED] requests that his rank of lance corporal be corrected to corporal. He states that he passed a "GMST" test for promotion but he was not awarded the promotion.
2. A review of Mr. [REDACTED]'s service records indicate that he passed the "GMST test" for promotion to corporal. In order to be promoted, he was required to be recommended for promotion. There is not sufficient enough information or official documents for us to determine if he was recommended for promotion to corporal. [REDACTED] was honorably discharged 9 December 1969 at the highest rank he held, a lance corporal.
