

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
2 NAVY ANNEX  
WASHINGTON DC 20370-5100

LCC:ddj  
Docket No: 2290-00  
27 June 2000

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

[REDACTED]

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 27 June 2000. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion furnished by BUPERS memorandum 5420 PERS 913E of 8 May 2000, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the advisory opinion. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER  
Executive Director

1. Enclosure (1) is forwarded with the following comments and recommendations:

a. We do not support [REDACTED] petition for reclassification as a TAR.

b. [REDACTED] enlisted in the Naval Reserve on 21 Jul 98. His Enlistment Document (DD Form 4) includes a guarantee for the Three Year Airman Apprenticeship Program, a USNR(Active) program, but makes no guarantee regarding the TAR program. [REDACTED] s Record of Military Processing (DD Form 1966) states in block 32 that the specific program he enlisted for was the "Three Year TAR Enlistment Program Guaranteed Airman Apprenticeship Training". This program has never existed. We believe that the reference to the TAR program on the DD Form 1966 was due to administrative oversight. The salient issue is that [REDACTED] enlistment contract makes no reference or guarantee of the TAR program. There is no error in his record nor has he suffered any injustice.

2. My point of contact is PN1 [REDACTED] (901) 874-4508 or DSN 882-4508.
