(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected by removing the original fitness report for 1 February to 14 August 1998, a copy of which is at Tab A, and filing in its place the supplemental report for the same period dated 14 August 1998, a copy of which is with Petitioner's application at enclosure (1).

2. The Board, consisting of Messrs. Schultz and Zsalman and Ms. Moidel, reviewed Petitioner's allegations of error and injustice on 16 August 2001, and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In correspondence attached as enclosure (2), the Navy Personnel Command office having cognizance over fitness report matters has commented to the effect that Petitioner's request has merit and warrants favorable action.

CONCLUSION:

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action.

RECOMMENDATION:

a. That Petitioner's naval record be corrected by removing therefrom the following original fitness report:

Date of Report	Reporting Senior	Period From	of	Report To
98Sep23		98Feb01		98Aug14

b. That the supplemental fitness report dated 14 August 1998, to be forwarded by this Board, be filed in place of the original report for the same period to be removed pursuant to recommendation a above.

c. That any material or entries inconsistent with or relating to the Board's recommendation be corrected, removed or completely expunged from Petitioner's record and that no such entries or material be added to the record in the future.

d. That any material directed to be removed from Petitioner's naval record be returned to the Board, together with a copy of this Report of Proceedings, for retention in a confidential file maintained for such purpose, with no cross reference being made a part of Petitioner's naval record.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c)) it is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
