Docket No: 04558-01  
30 August 2001

Dear Staff Sergeant [REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 30 August 2001. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the report of the Headquarters Marine Corps Performance Evaluation Review Board (PERB), dated 1 June 2001, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the report of the PERB. In view of the above, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official

records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER  
Executive Director

MEMORANDUM FOR THE EXECUTIVE DIRECTOR, BOARD FOR CORRECTION OF  
NAVAL RECORDS

Subj: MARINE CORPS PERFORMANCE EVALUATION REVIEW BOARD (PERB)  
ADVISORY OPINION ON BCNR APPLICATION IN THE CASE OF STAFF  
SERGEANT [REDACTED] SMC

Ref: (a) SSgt. [REDACTED] DD Form 149 of 23 Jan 01  
(b) MCO P1610.7D w/Ch 1-4

1. Per MCO 1610.11C, the Performance Evaluation Review Board, with three members present, met on 3 May 2001 to consider Staff Sergeant [REDACTED] petition contained in reference (a). Removal of the fitness report for the period 970101 to 971231 (AN) was requested. Reference (b) is the performance evaluation directive governing submission of the report.

2. The petitioner argues that the report at issue contains ". . . a contradiction in Section "B" marks and Section "C" comments."

3. In its proceedings, the PERB concluded that the report is both administratively correct and procedurally complete as written and filed. The following is offered as relevant:

a. Nowhere in reference (a) does the petitioner state or otherwise identify exactly what in the report he believes is contradictory. The Board has scrutinized the document and can find nothing either contradictory or inconsistent between any of the ratings assigned in Section B and the commentary in Section C.

b. It is the Board's position that to justify the deletion or amendment of a fitness report, evidence of probable error or injustice should be produced. Such is simply not the situation in this case.

4. The Board's opinion, based on deliberation and secret ballot vote, is that the contested fitness report should remain a part of Staff Sergeant [REDACTED] official military record.
