

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

CRS
Docket No: 4968-00
22 August 2001

Dear [REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of Title 10, United States Code, Section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 21 August 2001. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion furnished by Headquarters Marine Corps dated 9 July 2001, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the advisory opinion. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records.

Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director

MEMORANDUM FOR THE EXECUTIVE DIRECTOR, BOARD FOR CORRECTION OF
NAVAL RECORDS (BCNR)

Subj: REQUEST FOR ADVISORY OPINION(S) IN THE CASE OF [REDACTED]
[REDACTED] FORMER MARINE

1. Upon review of the records provided it has been determined that he is entitled to a Combat Action Ribbon for his service in World War II.
2. During the period [REDACTED] served in the Marine Corps, the Purple Heart was authorized for award to those who were wounded or injured as a direct result of action by an enemy of the United States or an opposing armed force of a foreign country in which the Armed Forces of the United States was engaged.
3. Regrettably, a review of his service and medical records, and the records at this Headquarters failed to reveal any evidence that he received a concussion or was wounded in action by the enemy. The only information from his medical records shows that he was treated for Catarrhal Fever of June 1, 1944 and was admitted to the hospital on March 22, 1945 for Combat Fatigue. Statements from the Department of Veterans Affairs cannot be accepted as the required eyewitness statement, these doctors were not present to give first hand knowledge statement.
4. Since there is no indication in the records that he was injured under conditions, which would qualify him for a Purple Heart award, regulations require that he obtain eyewitness statements. The eyewitness statements can be from the medical personnel who treated him in the field or two other personnel who were present at the time he was injured. Statements should contain the time, place, medical attention received, and verification that the injury was a direct result of enemy action. If he can provide the above information, further consideration will be given to his request.
5. The decoration is not awarded for cases of trenchfoot, pneumonia, malaria, or post-traumatic stress disorder. This is not to deny that he suffers from a service-connected disability;

however, regulations do not allow the Purple Heart Medal to be awarded to victims of post- traumatic stress disorder.

6. This Headquarters does not maintain a listing of former Marines and their addresses. However, he may obtain a listing of the officers and enlisted Marines who were assigned to his former unit by requesting copies of the unit rosters for the period in question from the following address:
