

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
2 NAVY ANNEX  
WASHINGTON DC 20370-5100

LCC:ddj  
Docket No: 5183-01  
27 November 2001

SECRET

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 27 November 2001. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion furnished by CMC memorandum 1400 MPR 2 of 11 October 2001, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the advisory opinion. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER  
Executive Director

MEMORANDUM FOR THE EXECUTIVE DIRECTOR, BOARD FOR CORRECTION OF  
NAVAL RECORDS

Subj: ADVISORY OPINION IN THE CASE OF ██████████

1. Staff Sergeant ██████████ requested a reason concerning his non-selection to gunnery sergeant and remedial consideration for promotion.

2. A review of Staff Sergeant ██████████ record shows he was considered and non-selected for gunnery sergeant by the Calendar Year 1994 through Calendar Year 1997 Gunnery Sergeant Selection Boards. Many high quality Marines are not selected because competition is very keen for promotion to the limited number of promotions available. The confidentiality of the selection board process precludes anyone from knowing the exact reasons why any Marine was not selected. Sometimes there really is not a specific reason other than the keen competition. It can only be inferred that, based upon a majority vote of the board members, his record was not competitive with the records of the Marines selected for promotion.

3. Staff Sergeant ██████████ submitted a request for remedial selection in 1997. His request was denied on 24 December 1997 and a letter was sent to his command informing Staff Sergeant ██████████ of the decision. While on active duty there was no significant change to his record to allow a remedial request to be approved.

4. Point of contact is Maj ██████████ at (703) 784-9710.
