

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
2 NAVY ANNEX  
WASHINGTON DC 20370-5100

MEH:ddj  
Docket No: 5497-01  
25 September 2001

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 25 September 2001. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion furnished by CNET memorandum 1533 OTE8 of 30 August 2001, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the advisory opinion. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER  
Executive Director

1. In reply to reference (a), a thorough review was conducted of [REDACTED] disenrollment package. On September 15, 1998, [REDACTED] requested disenrollment from the NROTC Program due to alleged family hardship. He was counseled and given the opportunity to provide documentation to support a hardship discharge IAW MilPersMan Article 1910-110 but failed to do so. Without documentation to substantiate a hardship discharge, the Secretary of the Navy had no other choice but to order recoupment. [REDACTED] recent request for a hardship discharge still does not provide documentation as required by the MilPersMan Article noted above.

2. [REDACTED] should contact DFAS-Denver and arrange to make full payment or monthly payments. They can be reached at 1-800-962-0648 or he may correspond with them in writing at the following address: DFAS-PODBB/DE, 6760 East Irvington Place, Denver, CO 80279-7500.
