

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

TJR
Docket No: 2080-02
12 September 2002

[REDACTED]

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of Title 10, United States Code, Section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 10 September 2002. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

You enlisted in the Marine Corps on 23 May 1973 at the age of 17. On 26 October 1974 you received nonjudicial punishment (NJP) for a nine day period of unauthorized absence (UA). The punishment imposed was a \$75 forfeiture of pay. On 21 July 1975 you received NJP for an 18 day period of UA and were awarded a \$300 forfeiture of pay, restriction for 30 days, and a suspended reduction in rank.

During the period from 22 July 1975 to 20 February 1976 you were in a UA status on three occasions for a total of 211 days. On 2 March 1976 you submitted a written request for an undesirable discharge in order to avoid trial by court-martial for the foregoing periods of UA. Prior to submitting this request for discharge, you conferred with a qualified military lawyer, were advised of your rights, and warned of the probable adverse consequences of accepting such a discharge. Your request for discharge was granted and on 22 March 1976 you received an undesirable discharge in lieu of trial by court-martial. As a result of this action, you were spared the stigma of a court-martial conviction and the potential penalties of a punitive discharge and confinement at hard labor.

The Board, in its review of your entire record and application, carefully weighed all potentially mitigating factors, such as your youth and immaturity. Nevertheless, the Board concluded these factors were not sufficient to warrant recharacterization of your discharge because of your frequent and lengthy periods of UA which resulted in your request for discharge. The Board believes that considerable clemency was extended to you when your request for discharge was approved since, by this action, you escaped the possibility of confinement at hard labor and a punitive discharge. The Board also concluded that you received the benefit of your bargain with the Marine Corps when your request for discharge was granted and should not be permitted to change it now. Accordingly, your application has been denied.

The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director
