

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
2 NAVY ANNEX  
WASHINGTON DC 20370-5100

LCC:ddj  
Docket No: 3981-01  
19 March 2002

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 19 March 2002. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion furnished by NPC memorandum 1430 Ser 811 of 5 December 2001, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the advisory opinion. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER  
Executive Director

MEMORANDUM FOR EXECUTIVE DIRECTOR, BOARD FOR CORRECTION OF  
NAVAL RECORDS (BCNR)

Via: Assistant for BCNR Matters (PERS-00XCB)

Subj: COMMENTS AND RECOMMENDATIONS IN THE CASE OF  

Ref: (a) BUPERSINST 1430.16E

Encl: (1) BCNR file #03981-01

1. Based on policy and guidelines established in reference (a), enclosure (1) is returned recommending disapproval.
2. The Manual of Advancement, BUPERSINST 1430.16 which was in effect 1972 has been reviewed. Additionally Petty Officer  records have been reviewed. The following is provided:
  - a. Time in grade was computed from 16 November 1967, which was correct, no change to final multiple.
  - b. Award points were not awarded for the Presidential Unit Commendation, nor any other unit awards.
  - c. Enlisted Performance Evaluation of April 1972 was used to compute final multiple, not the Enlisted Performance Record, page 9.
  - d. A Not Observed Performance Evaluation would have no bearing on a final multiple, regardless of this evaluation being recorded in the service record or not.
3. There are no corrections to make to the final multiple. Unfortunately, no relief can be recommended regarding this petition.
