This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 7 January 2003. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion furnished by CMC memorandum 1400/3 MMPR-2 of 5 November 2002, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the advisory opinion. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director

(c) Enlisted Promotion Manual (MCO P140.32C)

1. Per references (a) and (b), Corporal [REDACTED] was meritoriously promoted to private first class during his tour of duty at Marine Combat Training (MCT). Corporal [REDACTED] requests his meritorious promotion to private first class be modified to read lance corporal. Corporal [REDACTED] states due to administrative error, he was meritoriously awarded private first class, a rank already held during that time due to his enlistment as a contract private first class.
2. MCT is a non MOS producing school. Per reference (b), non MOS producing schools do not have the authority to meritoriously promote Marines. The meritorious promotion from MCT was erroneous.
