BOARD FOR CORRECTION OF NAVAL RECORDS  
2 NAVY ANNEX  
WASHINGTON DC 20370-5100

CRS  
Docket No: 1429-03  
9 September 2003

From: Chairman, Board for Correction of Naval Records  
To: Secretary of the Navy

Subj: REVIEW OF NAVAL RECORD OF [REDACTED]  
[REDACTED] NOW [REDACTED]

Ref: (a) 10 U.S.C. 1552

Encl: (1) DD Form 149 w/attachments  
(2) Case Summary  
(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Petitioner, a former officer of the Marine Corps Reserve, filed enclosure (1) with this Board requesting in effect, that the DD Form 214 and associated service record pages be corrected to show her current name and sex.

2. The Board, consisting of [REDACTED] Mr. [REDACTED] and Ms. [REDACTED] reviewed Petitioner's allegations of error and injustice on 20 August 2003 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. Enclosure (1) was filed in a timely manner.

c. Petitioner, who was then a male, reported to active duty on 6 July 1981 as an officer in the Marine Corps after three years of prior active enlisted service.

d. On 1 March 1988 he was honorably discharged and transferred to the Marine Corps Reserve. On 1 February 1999 he was retired as a major with 21 years, 9 months, and 3 days of qualifying service.

e. In support of her application, Petitioner has submitted a

court order changing her name from [REDACTED] to [REDACTED], and a letter from her doctor attesting to the fact that male to female surgery has been performed.

f. In some situations, a former servicemember will be provided with a "Statement of Service". This document sets forth the individual's name, other identifying data, and the period of time the individual served on active duty in the Marine Corps. Such a statement could be issued to Petitioner in her current name, and this statement of service would be added to the record.

**CONCLUSION:**

Upon review and consideration of all the evidence of record, the Board concludes that Petitioner's request warrants partial relief. The Board believes that it would be appropriate to create a document that will show Petitioner's period of service with her present name and gender. The Statement of Service for Petitioner should set forth her current name and the dates she served in the Marine Corps. However, the Board also believes that a correction to Petitioner's DD Form 214, or any other parts of the service record, would be inappropriate since those records correctly show that a man named [REDACTED] served in the Marine Corps as an enlisted for three years and as an officer from 6 July 1981 to 1 February 1999. Accordingly, the Board believes that such a statement of service should be provided to Petitioner showing her current name and the period of service on active duty as well as in the Marine Corps Reserve.

In view of the foregoing, the Board finds the existence of an injustice warranting the following corrective action.

**RECOMMENDATION:**

- a. That a Statement of Service be prepared for Petitioner showing the time served on active duty and in the Reserves in her present name and gender.
- b. That a copy of the foregoing Statement of Service be placed in Petitioner's naval record.
- c. That no further relief be granted.
- d. That a copy of this Report of Proceedings be filed in Petitioner's naval record.
