CRS
Docket No: 3070-03

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 14 May 2003. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion furnished by Headquarters Marine Corps dated 7 April 2003, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the advisory opinion. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records.

Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director

MEMORANDUM FOR THE EXECUTIVE DIRECTOR, BOARD FOR CORRECTION OF
NAVAL RECORDS

Subj: BCNR APPLICATION IN THE CASE OF FORMER [REDACTED]
[REDACTED] SUBJ: RECODE

Encl: (1) [REDACTED] DD Form 149 of 18 Feb 2003

1. [REDACTED] service record has been reviewed and it has been determined that his reenlistment code of RE-3C was correctly assigned. The reenlistment code was assigned based on his overall record of performance and means that he was not eligible for reenlistment at the time of separation and the disqualifying factor is not covered by another reenlistment code.
2. [REDACTED] was honorably discharged on January 4, 2000 by reason of Completion of Required Active Service. A review of the administrative portion of his service record indicates that he was counseled concerning extremely poor judgment and total disregard for the tenets of Marine Corps Values by having consensual sex with a woman not his wife, allowing a fellow Marine to discharge a privately owned weapon aboard a federal installation, and not being eligible for reenlistment because of poor performance.
3. After a review of all relevant information, this Headquarters concurs in the professional evaluation of [REDACTED] qualifications for reenlistment at the time of separation. Once a code is correctly assigned it is not routinely changed or upgraded as a result of events that occur after separation or based merely on the passage of time.
4. The enclosure is returned for final action.
