

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

CRS
Docket No: 5493-03
15 August 2003

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 13 August 2003. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice.

The Board found that you enlisted in the Navy on 5 October 1998. On 6 October 1998 you submitted to an accession urinalysis that tested positive for marijuana. On 16 October 1998 the commanding officer directed your separation. Subsequently, on 20 October 1998 you received an entry level separation by reason of erroneous enlistment due to drug abuse. At that time, you were assigned a reenlistment code of RE-4.

The Board noted that applicable regulations require the assignment of an RE-4 reenlistment code to individuals who are separated due to erroneous enlistment based on preservice use of drugs. The Board thus concluded that there is no error or injustice in your reenlistment code. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the

Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEEFER
Executive Director
