

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

CRS
Docket No: 4771-07
14 October 2008

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 1 October 2008. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice.

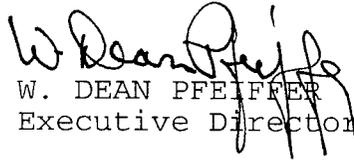

The Board found that you enlisted in the Navy on 18 April 1962. You received two nonjudicial punishments and were convicted by a summary court-martial and a special court-martial. Your offenses included unauthorized absences, breaking restriction, hitchhiking, taking unauthorized liberty, assault, altering a Selective Service card, and leaving the ship without a liberty card. On 18 March 1964 you were released from active duty and transferred to the Navy Reserve with a characterization of service of under honorable conditions.

The Board found that you did not qualify for an honorable discharge because your conduct mark average of 2.71 was below the required 3.0 minimum average which you did not attain because of your four disciplinary actions. In addition, there is no evidence that you were unfairly or improperly disciplined because of your race. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material

evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director
