

**DEPARTMENT OF THE NAVY**  
BOARD FOR CORRECTION OF NAVAL RECORDS  
2 NAVY ANNEX  
WASHINGTON DC 20370-5100

SJN  
Docket No: 05948-07  
21 February 2008

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of Title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 20 February 2008. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

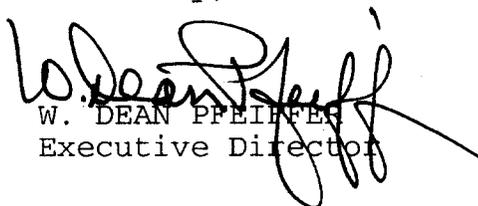

You enlisted in the Navy on 1 March 1982 at age 19. During the period from 21 July 1983 to 24 May 1984 you received four nonjudicial punishments (NJP's) for two periods of unauthorized absence(UA) totaling nine days, absence from your unit, missing movement, failure to go to your appointed place of duty, two instances of disobedience, and two other periods of UA. Additionally, you were counseled and warned that further misconduct could result in administrative separation.

On 4 June 1984, you were notified of pending administrative separation action by reason of misconduct due to frequent involvement of a discreditable nature with military authorities. After being advised of your procedural rights, you waived the right to an administrative discharge board (ADB) and provided a written statement. Your commanding officer forwarded his recommendation for discharge to the discharge authority. On 21 June 1984, the discharge authority directed an other than honorable discharge by reason of misconduct. You were so discharged on 3 July 1984.

The Board, in its review of your entire record and application, carefully weighed all potentially mitigating factors, such as your youth, overall record of service, the character letters accompanying your application, and post service accomplishments. Nevertheless, the Board found that these factors were not sufficient to warrant any change in your discharge because of the four NJP's, three of which were imposed after you were counseled and warned about the consequences of further misconduct. The Board also noted that you waived an ADB, your best chance for retention or a better characterization of service. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

  
W. DEAN PFEIFFER  
Executive Director
