

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
2 NAVY ANNEX  
WASHINGTON DC 20370-5100

CRS  
Docket No: 1969-08  
31 October 2008

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 22 October 2008. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice.

The Board found that you enlisted in the Marine Corps on 6 April 1976. You received three nonjudicial punishments for dereliction of duty, absence from appointed place of duty, and disobedience of a lawful order.

On 13 October 1977 you submitted a written request for discharge for the good of the service in lieu of trial by court-martial for an unauthorized absence of two days, failure to go to your appointed place of duty, disobedience of a lawful order, and failure to maintain a regulation haircut. Prior to submitting this request you conferred with a qualified military lawyer who advised you of your rights and warned of the probable adverse consequences of receiving a discharge under other than honorable conditions. Your request was approved by the discharge authority, and you received a discharge under other than honorable conditions on 4 November 1977.

In its review of your application the Board carefully weighed all potentially mitigating factors, such as the contentions that you were not derelict in the performance of your duties and racial unrest caused your misconduct. The Board found those contentions to be unsubstantiated by the available records. The Board

concluded that your service was properly characterized as under other than honorable conditions, given the serious nature of your offenses. The Board believes that considerable clemency was extended to you when your request for discharge was approved since, by that action, you avoided the possibility of a Federal conviction, confinement at hard labor and a punitive discharge. Further, the Board concluded that you received the benefit of your bargain when your request for discharge was granted, and you should not be permitted to change it now. The Board was not persuaded that racial unrest caused your misconduct or that you were not derelict in the performance of your duties. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

  
W. DEAN PFEIFFER  
Executive Director
