

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

TJR
Docket No: 2406-08
23 January 2009

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of Title 10, United States Code, Section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 22 January 2009. The names and votes of the members of the panel will be furnished upon request. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

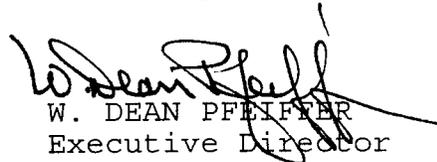

You enlisted in the Marine Corps on 14 January 1982 at age 24 and began a period of active duty on 28 September 1982. You served without disciplinary incident until 14 August 1986, when you received nonjudicial punishment (NJP) for wrongful use of cocaine. About three months later, on 12 November 1986, you received NJP for dereliction of duty and failure to obey a lawful order. On 15 January 1987 you received your third NJP for a 14 day period of unauthorized absence (UA). The punishment imposed was reduction to paygrade E-2 and a \$736 forfeiture of pay.

Subsequently, you were notified of pending administrative separation action by reason of misconduct due to drug abuse. At that time you waived your right to consult with legal counsel and to present your case to an administrative discharge board (ADB). Your commanding officer recommended an other than honorable discharge by reason of misconduct due to drug abuse. On 10 March 1987 the discharge authority approved this recommendation, and on 18 March 1987, you were so discharged.

The Board, in its review of your entire record and application, carefully weighed all potentially mitigating factors, such as your post service conduct, the passage of time, and your desire to change the characterization of your discharge so that you may obtain medical assistance. Nevertheless, the Board concluded these factors were not sufficient to warrant recharacterization of your discharge because of the seriousness of your misconduct which included wrongful use of cocaine. Finally, you were given an opportunity to defend yourself, but waived your procedural right to present your case to an ADB. Accordingly, your application has been denied.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director
