BOARD FOR CORRECTION OF NAVAL RECORDS  
2 NAVY ANNEX  
WASHINGTON DC 20370-5100

HD:hd  
Docket No. 03107-08

[REDACTED]

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 6 November 2008. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion furnished by the Office of the Chief of Naval Operations with enclosures dated 30 April 2008, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the advisory opinion. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have

the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

  
W. DEAN PFRIFFER  
Executive Director

MEMORANDUM FOR EXECUTIVE DIRECTOR, BOARD FOR CORRECTION OF NAVAL  
RECORDS (PERS-31C)

Subj: REQUEST FOR COMMENTS AND RECOMMENDATIONS IN THE CASE OF  

Ref: (a) BCNR Case File 03107-08  
(b) OPNAVINST 6110.1 series

Encl: (1) Physical Readiness Information Management System  
(PRIMS) Record for HM1 

1. Sailor petitioned the Board for Correction of Naval Records (BCNR) in accordance with reference (a), to correct errors and/or remove injustices in his Physical Readiness Information Management System (PRIMS) record.

2. Sailor's PRIMS record reflects one Physical Fitness Assessment (PFA) failure for Body Composition Assessment (BCA) for Spring 2004 PFA cycle. Complete evaluation for the reporting period indicated, November 2003 to August 2004, was not included.

3. **Recommendation.** Based on the Physical Readiness Program and evidence contained in this file, Sailor's current PRIMS record should not be changed. Sailor needs to provide complete BCA data for the Spring 2004 cycle from the command to which he was assigned during that time in order for his PRIMS record to be revised.

4. This is an advisory memorandum for the use of the Board for Correction of Naval Records only. Please contact me at Comm: 901-874-2210/DSN: 882 for further information.
