BOARD FOR CORRECTION OF NAVAL RECORDS

WASHINGTON DC 20370-5100

JRE  
Docket No. 03572-08  
1 April 2009

[REDACTED]

[REDACTED]

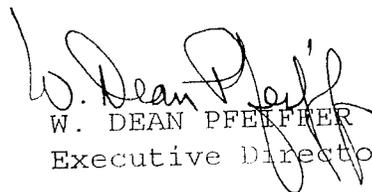

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 26 March 2009. After careful consideration of your application, the Board concluded that the application was not timely filed, and that it would not be in the interest of justice to excuse your failure to submit your application in a timely manner. It concluded that prior to your discharge by reason of physical disability on 31 May 1971, you had been of the diagnoses that resulted in your discharge.

You may request reconsideration of this decision. Your request must include newly discovered relevant evidence which was not reasonably available to you when you submitted your application. The evidence may pertain to the timeliness of your application or to its merits. Absent such additional evidence, further review of your application is not possible.

It is regretted that a more favorable reply cannot be made.

Sincerely,

  
W. DEAN PFEIFFER  
Executive Director
