

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

BJG
Docket No: 4082-08
26 November 2008

[REDACTED]

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

You requested, in effect, removing the service record page 11 ("Administrative Remarks (1070)") entries dated 14 August 1996, 16 April 1998 (two), 28 July 1998, 17 and 18 August 1998, undated on page 11b, 16 December 1998 and undated on page 11c.

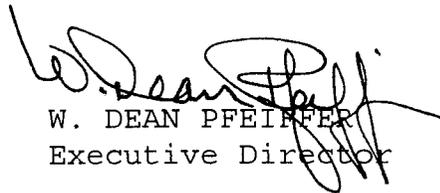

As indicated in the memorandum for the record dated 24 November 2008, a copy of which is attached, Headquarters Marine Corps (HQMC) is taking administrative action to remove the contested undated entry on page 11c.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 25 November 2008. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion from HQMC, dated 22 August 2008 with enclosures, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the advisory opinion. Accordingly, your application for relief beyond that being effected by HQMC has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director
