Docket No: 4391-08

[REDACTED]

[REDACTED]

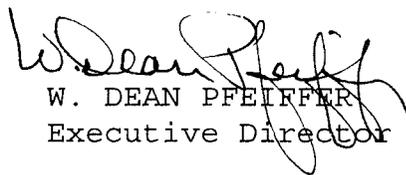

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 8 October 2008. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the report of the Headquarters Marine Corps Performance Evaluation Review Board (PERB), dated 30 April 2008, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the report of the PERB. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

  
W. DEAN PFEIFFER  
Executive Director

MEMORANDUM FOR THE EXECUTIVE DIRECTOR, BOARD FOR CORRECTION OF  
NAVAL RECORDS

Subj: MARINE CORPS PERFORMANCE EVALUATION REVIEW BOARD (PERB)  
ADVISORY OPINION ON BCNR APPLICATION IN THE CASE OF

Ref: (a) [REDACTED] DD Form 149 of 4 Jan 08  
(b) MCO P1610.7F

1. Per MCO 1610.11C, the Performance Evaluation Review Board, with three members present, met on 2 April 2008 to consider [REDACTED] petition contained in reference (a). Removal of the fitness report for the period 20070531 to 20070817 (FD) was requested. Reference (b) is the performance evaluation directive governing submission of the report.

2. The petitioner received an adverse fitness report for failure to follow proper disbursing procedures while deployed, which resulted in over \$5000.00 that could not be accounted for. The petitioner did not submit any additional documentation in support of her appeal.

3. In its proceedings, the Board concluded that the report is administratively correct and procedurally complete as written and filed. The following is offered as relevant:

a. The petitioner argues that she received a Page 11 entry as a reprimand after the investigation into the incident was complete, and that this fitness report was submitted before the investigation was complete. However, Manpower Management Support Branch (MMSB), advised the Board that the aforementioned page 11 entry is not a part of the petitioner's Official Military Personnel File. The Board found that since the Page 11 entry is not a part of her record, it cannot be considered when adjudicating this appeal.

b. The Board also found that the petitioner fails to substantiate any of her allegations. The investigation is not mentioned in the report, nor did the petitioner provide a copy to

the PERB. Without any supporting documentation, the board found no basis to remove the report.

c. Further, the Board concluded that the report was properly reviewed and thoroughly adjudicated by the third officer sighter.

4. The Board's opinion, based on deliberation and secret ballot vote, is that the contested fitness report, should remain a part of [REDACTED] official military record.

5. The case is forwarded for final action.
