(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected to reflect the correct entry grade credit (EGC). He was commissioned in the Medical Service Corps, U. S. Navy, as an ensign with a date of rank of 11 January 2007.
2. The Board, consisting of Meses. Humphrey and Mann and Mr. J. Hicks, reviewed Petitioner's allegations of error and injustice on 26 June 2008, and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.
3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:
  - a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.
  - b. In correspondence attached as enclosure (2), the Chief, Bureau of Medicine and Surgery has commented to the effect that Petitioner's request has merit and warrants favorable action, specifically recommending that he be awarded EGC of 9 months and

26 days, which would change his ensign date of rank to 15 March 2006.

CONCLUSION:

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an error and injustice warranting the following corrective action.

RECOMMENDATION:

a. That Petitioner's naval record be corrected, where appropriate, by changing the date of rank on his commission as an ensign, Medical Service Corps, U. S. Navy from 11 January 2007 to 15 March 2006; and that his lineal precedence be adjusted accordingly.

b. That any material or entries inconsistent with the Board's recommendation be corrected, removed or completely expunged from Petitioner's record and that no such entries or material be added to the record in the future.

c. That a copy of this Report of Proceedings be filed at an appropriate location in Petitioner's naval record, and that another copy of this report be returned to this Board, together with any material directed to be removed from Petitioner's record, for retention in a confidential file maintained for such purpose.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c)) it is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
