

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
2 NAVY ANNEX  
WASHINGTON DC 20370-5100

BJG  
Docket No: 7957-08  
17 June 2009

Dear [REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 17 June 2009. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval and medical records, and applicable statutes, regulations and policies.

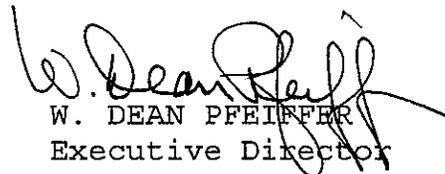

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. The Board found that you entered active duty in the Navy on 8 May 1979. You received nonjudicial punishment on two occasions for dereliction in the performance of your duties, misappropriation of government property, two instances of unauthorized absence (UA) totaling approximately 36 days, and missing the movement of your ship. On 16 January 1980, you received an adverse performance evaluation. On 13 August 1980, you received a special court-martial (SPCM) for approximately 163 days of UA and missing the movement of your ship. Your sentence included a bad conduct discharge (BCD). On 15 October 1981, you received another SPCM

for approximately 137 days of UA. On 29 June 1982, after appellate review, you received the BCD and were assigned an RE-4 reenlistment code.

The Board, in its review of your entire record, carefully weighed all potential mitigation, such as your youth and desire to upgrade your discharge. Nevertheless, the Board concluded that these factors were not sufficient to warrant recharacterization of your BCD due to your serious misconduct and poor performance. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

  
W. DEAN PFEIFFER  
Executive Director
