(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected to show eight vice zero award points and a final multiple of "196.21" vice "188.21" on the advancement profile sheet for advancement to GM1 (pay grade E-6) from the Cycle 078 February 2006 examination; and that he be advanced to GM1 from that cycle accordingly.

2. The Board, consisting of Messrs. Grover, Rothlein and Zsalman, reviewed Petitioner's allegations of error and injustice on 4 December 2008, and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In correspondence attached as enclosure (2), the Navy Personnel Command office with cognizance over the subject matter of this case has commented to the effect that Petitioner's

request has merit and warrants favorable action. They recommend changing his award points and final multiple as requested, and advancing him to GM1 accordingly with an effective date of 16 November 2006 and time in rate date of 1 July 2006.

CONCLUSION:

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an error and injustice warranting the following corrective action.

RECOMMENDATION:

a. That Petitioner's naval record be corrected, where appropriate, by modifying the advancement examination profile sheet for advancement to GM1 from the Cycle 078 February 2006 examination to show eight vice zero award points and a final multiple of "196.21" vice "188.21."

b. That his record be corrected further to show he was advanced to GM1 with an effective date of 16 November 2006 and a time in rate date of 1 July 2006.

c. That a copy of this Report of Proceedings be filed at an appropriate location in Petitioner's naval record, and that another copy of this report be returned to this Board, together with any material directed to be removed from Petitioner's record, for retention in a confidential file maintained for such purpose.

Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c)) it is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
