

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
2 NAVY ANNEX  
WASHINGTON DC 20370-5100

SJN  
Docket No: 09084-08  
30 July 2009

[REDACTED]

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of Title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 28 July 2009. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

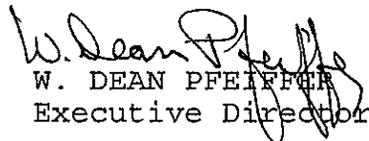

You enlisted in the Navy and began a period of active duty on 26 September 1989 at age 18. On 13 March 1991, you received nonjudicial punishment (NJP) for failure to go to your appointed place of duty, seven days of unauthorized absence, and wrongful use of cocaine and amphetamine/methamphetamine. You received restriction, extra duty, a forfeiture of pay, and a reduction in paygrade.

On 18 March 1991, administrative discharge action was initiated by reason of misconduct due to drug abuse. You waived your rights to consult counsel, submit a statement or have your case heard by an administrative discharge board (ADB). On 25 March 1991, your commanding officer forwarded his recommendation that you be discharged under other than honorable conditions by reason of misconduct due to drug abuse. On 1 April 1991 the separation authority directed an other than honorable discharge by reason of misconduct due to drug abuse. On 12 April 1991 you were so discharged.

The Board, in its review of your application, carefully weighed all potentially mitigating factors, such as your youth and overall record of service. Nevertheless, the Board concluded these factors were not sufficient to warrant recharacterization of your discharge because of your NJP for drug use. Further, you waived the right to an ADB, your best chance for retention or a better characterization of service. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

  
W. DEAN PFEIFFER  
Executive Director
