

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
2 NAVY ANNEX  
WASHINGTON DC 20370-5100

SJN  
Docket No: 09578-08  
10 August 2009

This is in reference to your application for correction of your naval record pursuant to the provisions of Title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 4 August 2009. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

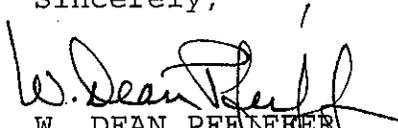

You enlisted in the Navy and began a period of active duty on 10 November 1983 at age 20. During the period from 10 January to 5 December 1985, you received three nonjudicial punishments (NJP's) for six days of unauthorized absence (UA), missing movement, dereliction of duty, wrongful use of marijuana, a brief period of UA, and incapacitation for the proper performance of duty. Additionally, you were counseled and warned that further misconduct could result in administrative discharge action.

On 19 December 1985, administrative discharge action was initiated by reason of misconduct due to a pattern of misconduct. You waived your rights to consult counsel, submit a statement or have your case heard by an administrative discharge board (ADB). Your commanding officer forwarded his recommendation that you be discharged under other than honorable conditions by reason of misconduct. On 6 January 1986, the discharge authority directed an other than honorable discharge by reason of misconduct. On 7 February 1986 you were so discharged.

The Board, in its review of your application, carefully weighed all potentially mitigating factors, such as your youth, overall record of service, and post service accomplishments. Nevertheless, the Board found that these factors were not sufficient to warrant recharacterization of your discharge given your record of three NJP's, one of which was for drug use, and two of which were imposed after you were counseled and warned of the consequences of further misconduct. Further, the Board noted that you waived the right to an ADB, your best opportunity for retention or a better characterization of service. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

  
W. DEAN PFEIFFER  
Executive Director
