(3) Subject's naval record

1. Pursuant to the provisions of reference (a) Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected to show Petitioner submitted a request for an extension of the 180-day period in which to ship household goods (HHG) at government expense incident to his discharge from the U. S. Navy on 21 December 2007.

2. The Board, consisting of Messrs. George, Pfeiffer, and Zsalman, reviewed Petitioner's allegations of error and injustice on 8 December 2008 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In correspondence attached as enclosure (2), the office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that the request has merit and warrants favorable action.

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action.

RECOMMENDATION:

That Petitioner's naval record be corrected, where appropriate, to show that:

a. On 3 January 2008 Petitioner submitted a letter to the appropriate naval authorities requesting an extension of the 180-day period in which to ship HHG at government expense. (NOTE: Petitioner will resubmit his PPM reimbursement claim. The claim package must include a copy of this letter, a copy of the discharge orders, copies of weight tickets or weight estimator inventory and a completed DD1351-2.
