BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

BAN
Docket No: 10577-08

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of Title 10, United States Code, Section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 13 August 2009. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

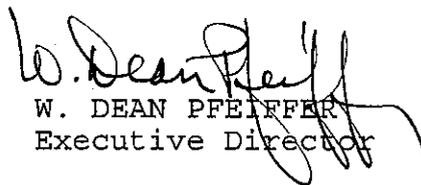

You enlisted in the Navy on 11 January 1985, and served without disciplinary incident until 15 August 1985, when you received nonjudicial punishment (NJP) for drug use (marijuana). Additionally, on 13 December 1985, you received another NJP for drug use (marijuana). You were recommended for administrative separation due to drug abuse, and you exercised your right to request an administrative discharge board (ADB). The ADB voted to administratively separate you with an other than honorable (OTH) discharge. The separation authority approved the recommendation and on 9 April 1986, you were separated with an OTH discharge and an RE-4 reenlistment code due to your drug use.

The Board, in its review of your entire record and application, carefully weighed all potentially mitigating factors, such as your youth and the passage of time. Nevertheless, the Board concluded these factors were not sufficient to warrant

recharacterization of your discharge because of the seriousness of your misconduct. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director
