

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

CRS
Docket No: 10713-08
26 June 2009

[REDACTED]

[REDACTED]:

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 24 June 2009. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion furnished by the Navy Personnel Command dated 8 December 2008, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection the Board substantially concurred with the comments contained in the advisory opinion. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director

1. The member's service record does not support the fact that while he was permanently assigned to the USS WEISS (APD-135) from 20 November 1960 to 16 March 1964, that he was assigned additional duty with UDT Team-11 and served "in-country" in Vietnam.
2. In December 2007, this command issued the member the Armed Forces Expeditionary Medal. He is entitled to exchange this Medal for the Vietnam Service Medal. However, he must return the Armed Forces Expeditionary Medal to this command (PERS-312D1) prior to the issuance of the Vietnam Service Medal.
3. The member's service record does not support the fact that he attended any Navy schools. Furthermore, he did not earn any additional awards.
4. It is our opinion that the portion of reference (a) requesting approval for service "in-country" in Vietnam be denied.
