

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
2 NAVY ANNEX  
WASHINGTON DC 20370-5100

BJG  
Docket No: 10745-08  
21 August 2009

[REDACTED]

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 20 August 2009. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval and medical records, and applicable statutes, regulations and policies.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. The Board found that you entered active duty in the Navy on 28 April 1975. You received nonjudicial punishment on three occasions for a 10 day period of unauthorized absence (UA), violating a general order or regulation, and larceny of \$70.00 from another Sailor. You had two other periods of UA totaling more than 87 days, one of which ended with your apprehension. Your record shows that no disciplinary action was taken for this misconduct. You were recommended for an other than honorable (OTH) discharge for misconduct. You waived all of your procedural rights, including your right to an administrative discharge board

(ADB). On 11 September 1978, you received the OTH discharge for misconduct, and were assigned an RE-4 reenlistment code.

The Board, in its review of your entire record, carefully weighed all potential mitigation, such as your youth and desire for medical benefits. Nevertheless, the Board concluded that these factors were not sufficient to warrant upgrading your OTH discharge because of your misconduct. The Board noted you waived your right to an ADB, your best opportunity for retention or a better characterization of service. In view of the above, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

  
W. DEAN PFEIFFER  
Executive Director
