

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
2 NAVY ANNEX  
WASHINGTON DC 20370-5100

CRS  
Docket No: 2670-08  
28 July 2008

[REDACTED]

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of Title 10 of the United States Code section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 16 July 2008. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice.

The Board found that you enlisted in the Navy on 29 March 2001. On 15 October 2001 you were referred to an alcohol abuse rehabilitation program. On 9 November 2001 you were diagnosed as alcohol dependent. On 8 February 2002 you were found to be a Level III alcohol abuse rehabilitation failure due to episodes of binge drinking. On 20 February 2002 you received nonjudicial punishment for an unauthorized absence. On 27 March 2002 you received a general discharge by reason of alcohol abuse rehabilitation failure and were assigned a reentry code of RE-4. The specific facts and circumstances of your discharge processing are not contained in the available record.

Applicable regulations require the assignment of an RE-4 reentry code to individuals discharged because of alcohol abuse rehabilitation failure. Since you have been treated no differently than others discharged for that reason, the Board could not find an error or injustice in the assignment of the RE-4 reentry code. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

  
W. DEAN PFEIFFER  
Executive Director
