

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
2 NAVY ANNEX  
WASHINGTON DC 20370-5100

SJN  
Docket No: 03654-08  
2 April 2009

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of Title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 31 March 2009. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

You enlisted in the Navy and began a period of active duty on 27 August 1951 at age 17. On 6 May 1952, you were convicted by special court-martial (SPCM) of a 53 day period of unauthorized absence (UA). On 16 July 1953, you were convicted by general court-martial (GCM) of 254 days of UA. You were sentenced to a forfeiture of pay, confinement at hard labor, a reduction in paygrade, and a bad conduct discharge (BCD). You received the BCD after appellate review was completed.

The Board, in its review of your application, carefully weighed all potentially mitigating factors, such as your youth, overall record of service, and the character letters accompanying your application. Nevertheless, the Board found that these factors were not sufficient to warrant recharacterization of your discharge given your convictions by SPCM and GCM for periods of UA totaling over 10 months. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

  
W. DEAN PFEIFFER  
Executive Director
