

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

BAN
Docket No: 04888-08
3 March 2009

[REDACTED]

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of Title 10, United States Code, Section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 24 February 2009. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

You enlisted in the Navy on 27 June 1988, and served without disciplinary incident until 13 July 1988, when you tested positive for illegal drug use during a random command urinalysis. You received alcohol and drug abuse counseling and signed a statement that a second drug abuse incident would result in immediate processing for separation from the naval service.

However, on 27 April 1989, you received nonjudicial punishment for again testing positive for illegal use of a controlled substance (cocaine and marijuana) during a command urinalysis. Therefore, on 21 June 1989, you were recommended for separation with an other than honorable (OTH) discharge by reason of misconduct due to drug abuse. On 30 June 1989, the separation authority approved the recommendation and on 10 July 1989, you

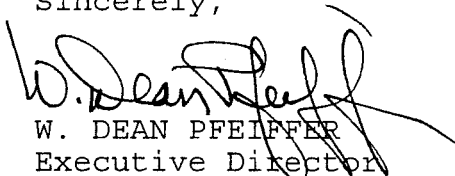

were separated with an OTH discharge and an RE-4 reenlistment code.

The Board, in its review of your entire record and application, carefully weighed all potentially mitigating factors, such as your youth, post service conduct, and the passage of time. Nevertheless, the Board concluded these factors were not sufficient to warrant recharacterization of your discharge because of the seriousness of your misconduct. Accordingly, your application has been denied.

The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director
