

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

LCC
Docket No. 678-09
26 May 09

Dear [REDACTED]

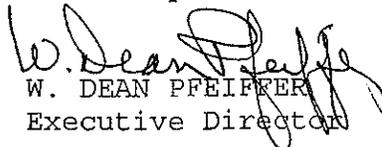

This is in reference to your application for correction of your naval record pursuant to the provisions of 10 USC 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 26 May 2009. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion furnished by CMC memorandum 4050.1D LPC-4-WC of 27 February 2009, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the advisory opinion. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is also important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director

MEMORANDUM FOR THE EXECUTIVE DIRECTOR, BOARD FOR CORRECTION
OF NAVAL RECORDS

Subj: PETITION OF [REDACTED]

Ref: (a) Joint Federal Travel Regulations

1. [REDACTED] was counseled by personnel at the Personal Property Shipping Office (PPSO) at Marine Corps Air Station Beaufort, South Carolina. After reviewing the documentation, it is clear that [REDACTED] requested shipment and subsequent storage in transit during his personal property counseling.
2. During the traffic management briefing and booking of shipment a member is counseled as to their benefits and particulars of their move to include the choice between storage in transit (SIT) versus non-temporary storage (NTS).
3. The Marine's signature on the DD Form 1299 and DD Form 1787 both dated 23 January 2008 is proof that the Marine was briefed and requested the storage in transit option. The counselor's notes and the Marine's own emails serve to verify this fact.
4. This Headquarters has determined that [REDACTED] was properly counseled and the delivery of his household goods into the storage in transit facility is correct and we are unable to recommend a favorable determination of this case.

A handwritten signature in black ink, appearing to read "Carl M. Marchetti", is written over a circular stamp.

CARL M. MARCHETTI
By direction
