

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

CRS
Docket No: 924-09
5 October 2009

From: Chairman, Board for Correction of Naval Records
To: Secretary of the Navy

Subj: FORMER [REDACTED]
[REDACTED] 5; REVIEW OF NAVAL RECORD

Ref: (a) Title 10 U.S.C. 1552

Encl: (1) DD Form 149
(2) Subject's naval record

1. Pursuant to the provisions of reference (a), Petitioner applied to this Board requesting that the DD Form 214 and associated service record pages be corrected to show her current name and gender.

2. The Board, consisting of Mr. [REDACTED], Mr. [REDACTED], and Ms. [REDACTED], reviewed Petitioner's allegations of error and injustice on 30 September 2009 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. Petitioner, who was then a male, enlisted in the Navy 20 June 1970. On 29 March 1972 he received nonjudicial punishment for an unauthorized absence. On 3 July 1972 Petitioner was honorably discharged by reason of convenience of the government.

c. Petitioner effected a name change in 2007 and underwent gender reassignment surgery in 2008.

d. In support of the application, Petitioner has submitted a letter from the doctor who performed the gender reassignment surgery and a copy of a court order reflecting the name change.

CONCLUSION:

Upon review and consideration of all the evidence of record the Board concludes that Petitioner's request warrants partial

relief. The Board believes that it would be appropriate to issue a Statement of Service which reflects Petitioner's current name and gender. The Board concludes, however, that there is no basis for correcting Petitioner's DD Form 214, which correctly reflects Petitioner's name and gender at the time that form was prepared.

RECOMMENDATION:

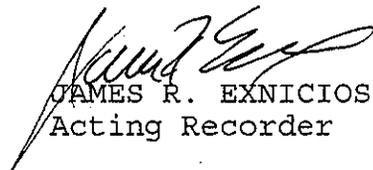

a. That a Statement of Service which shows Petitioner's current name and gender be prepared, and a copy placed in Petitioner's naval record.

b. That no further relief be provided.

c. That a copy of this Report of Proceedings be filed in Petitioner's naval record.

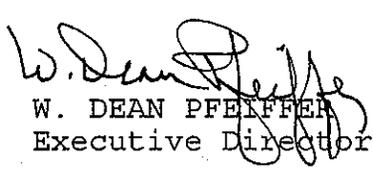

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.

JAMES R. EXNICIOS
Acting Recorder

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)) and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of reference (a), has been approved by the Board on behalf of the Secretary of the Navy.
