(3) Subject's naval record

1. Pursuant to the provisions of reference (a) Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected to establish entitlement to additional World War II Prisoner of War (POW) Promotion Back Pay for the period 11 October 1943 to 20 February 1945.

2. The Board, consisting of Mr. Pfeiffer, Mr. Zsalman, and Mr. George, reviewed Petitioner's allegations of error and injustice on 20 April 2009 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. [REDACTED] was interned as a POW in Japan from 6 May 1942 to 20 February 1945.

c. Petitioner has already received payment from the Defense Finance and Accounting Service for internment through 10 October 1943.

d. In correspondence attached as enclosure (2), the office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that the request for World War II Prisoner of War (POW) Promotion Back Pay from 11 October 1943 to 20 February 1945 has merit and warrants favorable action.

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action.

RECOMMENDATION:

That Subject's naval record be corrected, where appropriate, to show that:

a. On 31 December 2006, Petitioner, [REDACTED] made a timely claim for payment of back pay for the period 11 October 1943 to 20 February 1945 by reason of having served as a POW during World War II and not being available to accept promotions.

b. The breakdown of Subject's captivity during this period is as follows:

E-7 11 October 1943 - 20 February 1945

c. This change will entitle Petitioner to additional World War II Prisoner of War (POW) Promotion Back Pay.

d. A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
