

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

DJC
Docket No. 1356-09
2 July 2009

Dear [REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of 10 USC 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 15 June 2009. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion furnished by NPC Memo 1160 Ser 811/355 dtd 10 Jun 09, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the advisory opinion. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director

Enclosure

MEMORANDUM FOR CHAIRMAN, BOARD FOR CORRECTION OF NAVAL RECORDS

Via: PERS-31C

Subj: BCNR PETITION ICO [REDACTED]

Ref: (a) SNM's DD Form 149 dtd 17 Feb 09
(b) OPNAVINST 1160.8A
(c) NAVADMIN 240/08
(d) Memorandum for Chairman, Board for Correction of Naval
Records 1160 Ser/242 dtd 22 Apr 09

Encl: (1) BCNR File

1. Per references (a) through (c), recommend disapproval to both of the petitioner's requests. This memorandum updates reference (d).
2. The petitioner is requesting to be paid SRB in the amount of \$43,492.22, or to expunge the reenlistment and restore his EAOS/SEAOS.
3. The petitioner was incorrectly told his SRB was approved for \$43,492.22 when the OPINS FORMAN SRB inquiry clearly reflects it was not approved. Reference (c) lowered his SRB award level from 3.5 to 1.5 effective 30 Sep 2008. The petitioner has subsequently PCS transferred to [REDACTED] with required OBLISERVE to July 2013 and cannot extend the required 25 months due to already having 25 months of extensions if his EAOS/SEAOS were restored.
4. In view of the above, recommend the petitioner's record remains as is.
5. This is an advisory memorandum to reference (a) for use by the Board for Correction of Naval Records (BCNR) only. Enclosure (1) is returned.

C. E. AIMESTILLMAN
