

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100CRS

Docket No: 1756-09
12 March 2009

From: Chairman, Board for Correction of Naval Records
To: Secretary of the Navy

Subj: FORMER [REDACTED] USN, [REDACTED]
REVIEW OF NAVAL RECORD

Ref: (a) Title 10 U.S.C. 1552

Encl: (1) Case Summary
(2) Subject's naval record

1. Pursuant to the provisions of reference (a), Petitioner applied to this Board requesting her naval record be corrected by changing the reentry code she was assigned on 8 January 2009.

2. The Board, consisting of Mr. [REDACTED], Mr. [REDACTED] and Ms. [REDACTED] reviewed Petitioner's allegations of error and injustice on 11 March 2009 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. Petitioner enlisted in the Navy on 5 August 2008. On 4 December 2008 she was diagnosed with nephrolithiasis and asthma. On 8 January 2009, she received an uncharacterized entry level separation by reason of her failure to meet medical/physical procurement standards and was assigned a reentry code of RE-4.

c. Applicable directives require the assignment of an RE-4 reentry code when a Sailor is discharged for failing to meet medical/physical procurement standards. A Sailor who is found to be not physically qualified for enlistment may, in the alternative, be separated by reason of erroneous entry and assigned a reentry code of RE-3E or RE-4.

CONCLUSION:

Upon review and consideration of all the evidence of record the Board concludes that Petitioner's request warrants favorable

action. The Board believes that the reason for discharge should be changed to erroneous entry since Petitioner was unaware of her condition when she was accepted for enlistment. Accordingly, the Board recommends that Petitioner's reason for separation be changed to erroneous entry.

The Board also concludes that an RE-3E reentry code should be assigned since there is no evidence that Petitioner had any performance or disciplinary infractions during her period of service and her record does not otherwise support the more stigmatizing code of RE-4.

RECOMMENDATION:

a. That Petitioner's naval record be corrected to show that on 8 January 2009 she received an entry level separation by reason of erroneous entry and was assigned a reentry code of RE-3E.

b. That a copy of this Report of Proceedings be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.

JAMES R. EXNICIOS
Acting Recorder

5.
